Dear Postal Customer:

This refers to your recent complaint concerning the receipt of questionable correspondence through the mail.

I can certainly understand how you feel about the matter. However, the correspondence has been examined and the particulars are not sufficient to warrant an investigation by this Service.

To violate the postal laws, threatening communications must contain a demand for money or something of value, together with a threat to defame character. Matters involving threats of bodily harm or damage to personal property come under the jurisdiction of the Federal Bureau of Investigation, or in some instances, local law enforcement agencies.

Your interest in reporting the matter for consideration is appreciated.

Sincerely,

"USA Addresses of the Merciless, Damaging, Harmful, Lethal Enemies."

The situation here is not one of unidentified, untraceable Ghosts haunting one. For the very harmful, treacherous, lethal enemy have been traced down, as also have many of the properties of some of the devices which they use as their instruments of thieving and killing. But even if just by the fact that they are at the addresses in Los Angeles which I have herein listed, they are identified and traceable.

Harmful, Lethal Enemy Addresses; Where the Cause of Lethal Harm is coming from:

tibetans-----tibetans causing lethal harm are at, [redacted]
[redacted] Los Angeles, California, USA.
There are about seven of them there.

b6
b7c

japanese₁----[redacted] Cimarron Zen Center, Watts, Los Angeles, California, USA, or at Mount Baldy Zen Center, near Los Angeles, California, USA.

japanese₂----Zen Center Los Angeles, 9th and Normandie, Los Angeles, California, USA. One jap monk in adjacent house.

koreans₁----[redacted] Los Angeles, California, USA.

koreans₂----Wilton Place and Olympic Blvd., Los Angeles, California, USA.

vietnamese₁--9th and Berenden, near Vermont and 9th, Los Angeles, California, USA.

vietnamese₂--Some perhaps in Albuquerque, New Mexico, where exactly in Albuquerque I do not know.

swahananda---Vedanta Place, Hollywood, Los Angeles, California, USA.

The above mentioned, and address listed, "very harmful", ruthless, "lethal" enemies, merciless thief and killer mongoloids and swahananda, must, each and every one, necessarily, on an emergency basis, be "Unconditionally", totally removed and stopped from ever again causing terrible "damage" and "lethal harm" to me. These "lethal" enemies must be totally and "Unconditionally" stopped from ever again tuning into me in any way, shape, or form, or from tuning in to me at any place whatsoever, "Unconditionally" so.-----As I have mentioned before, one must use "only" the "most severe" "methods" possible against these lethal thieves, vampires, killers of Humanity.

[REDACTED]
Thank you so much for your expert advice on kundalini exercise and on how to pray, I was most glad to receive your encouraging letter.

I also read the front page article on you and the World Sikh leaders meeting in Santa Fe in the Sunday June 24th Albuquerque Journal.

Whereof I mentioned in the 37 page letter to you on page 23 paragraph 4 which I wrote on February 28, 1984 that; "the enemy mongoloids (tibetans, japs etc.) are also specifically working against the factions of allah and the different sects of God the Father in the middle East, but it is also very obvious to me that the very pernicious enemy are very largely against "India" or Persia, Pakistan."

And just lately there has been much trouble between Pakistan and India concerning the Sikhs in India, Whereas it is quite obvious that enemies of both India and Sikhs therein capitalized on a small argument and created a much unwanted bloodbath between innocent Sikhs and Hindu.

The swine, evil mongoloid sources (tibetan, jap, korean), want to turn like peoples who worship God against one another in destruction. The evil sources, tibetan, jap, korean etc., thrive on the destruction of the peoples who worship God.

Much the same as they, the filthy, lethal, deadly enemy swine mongoloids have done in Beirut where they have tuned in and caused constant bloodbath and destruction, they will also do in India or anywhere that there is the worship of God and the slightest spark of an argument between God fearing peoples is present.

One therefore must continue to pray that the situation be altered and the bloodshed be stopped.

Please tune in to me, I am sure that it will help my situation tremendously if you do. God be with you,

Re: [redacted] Yogi Bhaian - Victim;
Extortion

Dear Sir:

On June 28, 1984 Yogi Bhaian, a local religious figure, received a letter from [redacted] a self proclaimed disciple whom Bhaian has never met. This correspondence, which was cordial in nature, contained a reference to killing of orientals.

Investigation conducted in Albuquerque, New Mexico to locate [redacted] for interview disclosed that individual had departed that locale some months prior and his present whereabouts were unknown. Efforts to determine [redacted] present whereabouts have proven unproductive..

Assistant United States Attorney (AUSA) [redacted] stated that no prosecution would be entertained in this matter as the supposed threat is extremely ambiguous, therefore making the case too weak to be pursued.

In view of the above, no additional investigation is being conducted by this office at this time.

Very truly yours,

[redacted]
Special Agent in Charge
